

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Muhammad Haadi**, CNIC: **61101-6451634-3**, was employed at **Xiist** as a **Junior Flutter Developer** from **January 2023 to June 2023**.

During his tenure with us, Muhammad Haadi contributed to the development of mobile applications using Flutter. His responsibilities included:

- Implementing **state management solutions** for scalable and maintainable applications.
- Integrating **RESTful APIs** for data communication between mobile apps and backend services.
- Assisting in **UI/UX implementation** to ensure responsive and user-friendly designs.
- Debugging, testing, and fixing issues to improve app stability and performance.

He consistently displayed professionalism, responsibility, and a strong desire to learn and grow as a developer. His collaborative attitude and willingness to take initiative were highly valued by the team.

We appreciate his dedication and contributions during his time with us and wish Muhammad Haadi success in his future professional and academic endeavors. This certificate has been issued upon his request for whatever purpose it may serve.

Sincerely,

Hashir Awan

Founder & CTO
