

An aerial photograph of Dubai, United Arab Emirates, during sunset. The Burj Khalifa stands prominently in the center, reaching towards a sky filled with wispy clouds. To its left, the Burj Doha is visible, with the sun setting behind its top, creating a bright lens flare. The city's dense urban landscape, including various skyscrapers and a large artificial lake, is illuminated by the warm, golden light of the setting sun. The overall scene conveys a sense of modernity and architectural grandeur.
