ABOUT US

With a proven track record of over 21 years, Main Realty has established itself as a premier real estate developer in Miami, specializing in high-end property development across sought-after locations such as Miramar, Windmill Ranch Road, Weston, Pembroke (Florida), and more. Our expertise in delivering exceptional residential apartments has made us a trusted name in the U.S. real estate market.

Now, Main Realty has expanded to Dubai, bringing its signature craftsmanship, innovation, and superior quality to one of the world's most dynamic real estate markets. Our goal is to compete with top-tier developers while introducing a distinctive blend of American design excellence and Dubai's luxury lifestyle. At Main Realty, we believe that a home is more than just a structure—it is a lifestyle, an experience, and a reflection of individuality. Our projects are meticulously designed with modern elegance, premium finishes, and world-class infrastructure, ensuring that every residence is a true masterpiece.

What sets us apart is our commitment to excellence—from selecting prime locations for both living and investment to crafting spaces that feel like home from the moment you step in. We create not just houses, but exceptional living environments where families can thrive and investors can achieve long-term value.

WELCOME MESSAGE
