

AQUA Developments

Delivering Beyond Expectations

Established in 2010, AQUA Real Estate Development turned into a full-service development company delivering the most selective residential and commercial properties designed to cater to its clients' needs in terms of quality finishes, smart homes and prime locations.

Built on a vision to be a significant part of Dubai's evolving cityscape, combined with our expertise and experience, we transform our clients' dreams into a reality. Performing with integrity, honesty and transparency, we firmly believe in adding value to all our projects.

Our experienced team of professionals can manage every aspect of a real estate project from concept idea to completion and even post-handover.

Vision

Our vision is to be the leading real estate company in the UAE. We strive to be a globally recognised and locally trusted real estate partner by ensuring every customer receives the first class service they deserve.

Mission

Our mission is to deliver world-class real estate services to all our stakeholders in an innovative and efficient manner. Our established position on the market as a leading real estate broker and company's constant growth are a result of our outstanding management as well as the continuous training of every single member of our team. Our main goal is to exceed our customer's expectations thus reassuring their confidence in us as their leading real estate broker.

Values

We pride ourselves on adding value to every aspect of our business:

- Guaranteeing first-class service to our investors
- Ensuring high quality and adhering to safety standards
- Providing a stimulating environment for our multi-national team in order to ensure their professional and personal growth
- Showing commitment and reliability to our many partners
