

THREE65

About us

Three65 is a security, lifeguard & cleaning company, based in Sheikh Zayed Dubai United Arab Emirates, recently established (2020) that engaged in providing Quality Assured SIRA certified security guards, lifeguards & highly dedicated cleaners.

Three65 understand the importance of security, lifeguard and cleaning maintenance to every establishment in the region.

Three65 management has high end expertise in security, lifeguard and cleaning services for the past 10 years in UAE and handled various owners associations and communities properly.

Core Values

Three65 core values are to listen to our customers, meet their needs in a timely and professional manner and to deliver our service as predicted. We are responsive to changing needs and recognize the importance of working in true-hearted partnership to maximize performance and added value for our customers.

Mission

Our People practices support the vision and values of the business and we always strive to appoint the most talented and engaged staff. We focus on excellent customer service and our employees must feel they are genuinely valued, empowered and can make a difference.

Vision

We aim to encourage excellent performance, clarifying responsibility, learning and development, inclusion and great rewards.
